MANIFESTO OF SUNNI TEHREEK (POLITICAL PARTY)

1. THE IDEOLOGY OF SUNNI TEHREEK AND WHAT DOES

i) SUNNI TEHREEK is not a name of a utopian ideology or phantom philosophy. It is a force of struggle, a march and emotion, therefore the SUNNI TEHREEK has worked out a detailed strategy which it will have to achieve its targets. The SUNNI TEHREEK has set the journey to the ultimate aim of Peace, Love and tolerance in different stages or phases. Specially to strive Islamic rule of law in the country in its real shape and spirits.

ii) At this stage every member of the SUNNI TEHREEK promises to take part according to his capacity to help present the party's way of perceiving analyzing and interpreting among various communities all over the world.

iii) People in the centers and community halls owned and run by the SUNNI TEHREEK members will receive proper education and training. They will be taught different Islamic disciplines from theology and philosophy to practical character building, the art of teaching, trading, and social theory.

iv) In order to achieve revival and revitalization of the social – economic justices internally and externally actual changes, reformation and renewal of systems are called for. These will be sacred ideas of peace and tolerance through out the country, and for uniting the Muslim communities for a better country.

v) To disseminate throughout the country true Islamic Teaching in order to promote solidarity among different schools of thought for the sake of make the truth about Islam and the right and creed of the Ahle Sunnat Hanfi Barelvi more popular, and to arrange for the publication of necessary writing in this regard.

vi) To promote and propagate the Islamic ideology throughout the country according to the teaching of the Quran, Sunnah, Holy Prophet (P.B.U.H), AS EXPLAINED AND FAITH OF Imam AbuHanifa, Muhadis Abdulhaq Dehelvi, Moulana Ahmed Raza Khan Barelvi.

vii) To promote Pakistan ideology in the light of the teachings and directions of Quran and the Sunnah and to strive for the stability of the country.

viii) To strive for the solidarity and unity of all true Muslim the countrywide and to promote country brotherhood on the basis of Islamic social Justice.

ix) To strive to eradicate all customs and rights, which repugnant to the teaching of Islam, and to defend fully the creed and action of the right guided.

2. NATIONAL INTEGRATION.

The SUNNI TEHREEK wants to see national integration flourish and desire to establish equitable system, national integration and the concept of Islamic Republic of Pakistan as a one Muslim nation. To achieve this object all unjust and unislamic tradition and policies, laws have to be changed / abolished. Therefore SUNNI TEHREEK has workout a detailed strategy which it will have a achieve its targets.

SUNNI TEHREEK desire to develop Muslim brotherhood and make a Muslim nation through mutual co-operation in between the provinces.

3. EDUCATION

The SUNNI TEHREEK is of the view that education is the basic and most impotent factor to develop the nation. Nation lacking in education can not

achieve advancement and develop theirs growth in any field. If we desire to see Pakistan a developed, advance and dignified country then we have to make full use of resources and ensure education is made available to every citizen because with out education the country can not be achieved development and prosperity, SUNNI TEHREEK wants to make education easily available throughout the country in all towns, and all villages free of cost, in this regard SUNNI TEHREEK desire to take the following steps.

i. In all past of country especially in towns, villages to form education societies based on elected bodies through which promote the primary and secondary level education, with cost.

ii. At district and tehsil level, district Govt. should provide grants to the education societies for establishing the colleges up to Master Degree level.

iii. To give Tax relaxation to the commercial and industrial institutions which would be donated or invested towards the promotion of education.

iv. Special steps must be taken to develop the Computer Science and research, in this regard the private sector should be encouraged in an organized manner, as well as Government Institution must be established.

v. A network of Libraries should be established in all over the countries.

vi. The text books of every level should be provided on free of cost by the Federal Government.

vii. Elimination of dual education system from the country is the main target of the SUNNI TEHREEK, and introduced one system of education at every level, English, Urdu and local Languages should be declared must primary level throughout the country without any discrimination.

viii. Syllabus must be revised according to the modern education system and requirement raise the stander of education is the country.

ix. To develop the modern teachers training institutes all over the country.

x. To offer the scholar-ships for higher education with in the country and out of the country on merit bases in all facilities without any discrimination.

4. HEALTH

Good health and good education is necessary for a strong and healthy society, in order to provide the poor with medical facilities, it is essential that small towns to small Villages and cities in all area and localities a network of small healthy units should be installed. In other word a system taking the form of national health scheme would be established.

To provide medical care for the poor people, non-Governmental social and welfare organizations and institutions from the private sector should be encouraged, SUNNI TEHREEK wants to open a Hospital with all facilities at Tehsil level and a basic health unit a village's level, and wants to establish medical Colleges at District level without any discrimination.

5. FOREIGN POLICY

SUNNI TEHREEK believes in an independent and non-aligned foreign policy and wishes to promote close and friendly relations with neighboring countries and the rest of the world.

SUNNI TEHREEK wants to abolish the feudal system; Pakistan can not progress without elimination the feudal setup from the country.

13.AGRICULTURE

SUNNI TEHREEK knows the importance and role of the agriculture in the development of the Pakistan as the 70% population of the country is living in the rural areas and depends on agriculture. SUNNI TEHREEK is in favor of limiting the ownership of agriculture land, and dismantling the feudal system in Pakistan. SUNNI TEHREEK wants to establish the co-operative farming system allover the country after demolishing in the feudal system. SUNNI TEHREEK is in favor of leaving Tax on agriculture income to the some extend and wants to increase the per Acer yield through advanced and hibreed seeds of the crops. SUNNI TEHREEK wants to disperse the loans to the farmers without interest and to provide the hibreed seeds on nominal prices. SUNNI TEHREEK wants to establish the storage system of the crops and Roads Farms to market. SUNNI TEHREEK wants to establish the irrigation system through cleaning the canals and stop the Stalinization of water, improve the water storage through building the new Dams.

14.TRADE AND INDUSTRY.

SUNNI TEHREEK believes that industrial development and progress is and essential of the prosperity of the country . SUNNI TEHREEK is against the nationalization of industries and favor privatization for healthy competition. SUNNI TEHREEK wants that policies should be formulated whereby small industries are established and small investors are encouraged to participate without undue restriction SUNNI TEHREEK wants to see cottage industries flourish in the country and wants to encourage the setting up by the Government.

15.LABOUR POLICY.

SUNNI TEHREEK is against all kinds of exploitation of labor force and wants to provide them with their rights so that the labor force can live a peaceful and prosperous life and play their role to increase the national productivity. SUNNI TEHREEK wants to see en end to every from of forced and bonded economic condition of labor force. SUNNI TEHREEK wants to reform in the labor laws for country so that they can be made compatible with the laws of the international labor organization.

16.CONSTITUTIONAL REFORMS

SUNNI TEHREEK wants to make the country constitution completely Islamic according to the Quran and Sunah. SUNNI TEHREEK wants to establish the Islamic Society in the country, so all the UnIslamic and contradictory clauses should be immediately, SUNNI TEHREEK wants to provide the institutional protection for the elected bodies through out the country; the condition therefore needs to be amended to reduce the voting age to 18. SUNNI TEHREEK wants to see a balance in powers vested in the president and Prime Minister of country.

17.PROVINCIAL AUTONIMY

SUNNI TEHREEK wants to give maximum provincial autonomy and therefore, desires that power be transferred from the center to province and from the province to the elected local bodies so that the people of every part of the country feel involved in Government affairs.

18.LOCAL BODIES

SUNNI TEHREEK wants to solve problems at local, thereby generation a fueling of participation by the people of all regions in the country. SUNNI

TEHREEK desire that the system of Government should be organized that the citizen of all region can participate in the national affairs SUNNI TEHREEK wants the local protection.

19.PLANNING

SUNNI TEHREEK knows that for the progress of a country it is essential to have comprehensive planning on realistic lines. For the development of the country is vital to change this system and definite plans should be formulated for future development in all walks of life.

20.KASHMIR

SUNNI TEHREEK give full support to the right of self determination to the people of Kashmir and wishes the Kashmir issue to be resolutions and according to the will of the people of Kashmir. SUNNI TEHREEK considers the Kashmir struggle as freedom movement gives moral support in this regard.

21.WOMEN'S RIGHTS

SUNNI TEHREEK is in favor of the women rights as enshrine in Islam, and believes that without active participation of women in national affairs, the progress of the country is not possible, SUNNI TEHREEK wants to create a social structure and system in the country whereby women could play their full role in national development.

22.UNEMPLOYMENT

SUNNI TEHREEK knows that in our country the problem of unemployment, especially of the educated classes has become very serious hundreds of thousands of educated youths are currently unemployed. SUNNI TEHREEK

wants more and industries should be established in the country, especially small and cottage industries to resolve the problem of unemployment.

23.MONETARY DISCIPLINE AND REDUCTION IN EXPENDITURE.

SUNNI TEHREEK wants to establish an effective monetary system in the country, improvement in banking system stability of currency and effective monitoring of Government malpractice, SUNNI TEHREEK wants to see ana and to this extravagant expenditures or bury items. This practice must be discontinued the practice of distributing plots of land to favorites of minters and Government Officials should also be stopped.

24.TAXATION SYSTEM

SUNNI TEHREEK wants that Taxation system must be eliminated, an out dated and defective system for the collection of Taxes exists in country and due to the inadequate policies, billions of rupees find their way in to the Pockets of Government Officials. It is absolutely essential to extend the Tax recovery frame work to all income and redacting the Burdon upon poor people efforts should be concentrated on making Tax recovery efficient.

25.CORRUPTION

SUNNI TEHREEK wants to eliminate corruption, SUNNI TEHREEK is in favor of an independent and autonomous accountability institution on permanent bases and wants that immediate steps to be taken in this regard.

26.INCREASE IN SALARY.

SUNNI TEHREEK knows that due to lower salaries and hyperinflation the salary class is disproportional suspend. So lower workers must increase in

proportion to the inflation rate to keep up with the ever-increasing cost of living.

27.MERITS

SUNNI TEHREEK is in favor of the rule of merit in every walk of life and wants this to be compulsorily adopted at all level for the sake of country's progress. SUNNI TEHREEK is in favor of that quota system to be repealed forth with.

28.COMMUNICATION AND TRANSPORT.

SUNNI TEHREEK strategy, in order to make communication and transport easier and for industrial and social progress. The road building, new roads and highway are constructed.

29.POLICE

SUNNI TEHREEK knows that police administration has totally collapsed. For this reason crime is on the increase and the law and order situation is deteriorating day by day, SUNNI TEHREEK wants to restructure the Police system in such a way that educated people are attracted to join the Police force. And wants to change the Police rule and their present structure according to demands of time.

30.ELECTION COMMISSION

SUNNI TEHREEK desires that to hold free and fair elections it is essential that Election Commission be autonomous, independent and all power in order to achieve this, SUNNI TEHREEK wants that the election commission to be provided constitutional protection.

31.FLOOR CROSSING

SUNNI TEHREEK considers the acts of floor crossing shameful. Through floor crossing and hours-trading millions of voters are being mocked. The every number of the assembly joins any other party other then the party on whose ticket he was elected, his seat is declared vacant.
